*“Language is the main source of communication”*

As it was the last semester for us to have English as our subject. Our english lecturer.

Mr Machendra on behalf of our class organized English seminar.

Mr. Seetharam T Bhat as the guest lecturer for the day, **enlightened** us about the language **English & importance of communication**, in our professional career and life skills.

**Outcome:** We being students there is many things to learn that day sir introduced us that Language is the main source of communication, which Sir Seetharam T Bhat, enlightened us with his knowledge & gave an excellent coverage on learning English language. That day we came to know how it is so beneficial to be fluent in language.
