I semester

Program: Workshop (Sahayog)

Organized by: Aishwarya, Pragnya, Lekha, Neha, Abhijit (III BBM 'A')

Theme: Group Dynamics

Date: 04/1/2015

"Alone we can do so little, together we can do so much".

Delighted on successful completion of first semester and getting to know each other's well, a workshop was conducted by our super seniors. Aishwarya, Abhishek, Pragnya, Lekha, Neha (III BBM A)

On "**Group Dynamics**" which was named as "**Sahayog**".

Activities like **Fire in the mountain**, **Mock act**, **PPT presentations**, and **Story building** were conducted which improved the self confidence among each and every student.

Outcome: This session thought us **together** every one can achieve more. We learnt how the group can make better decisions rather than individual decision and tackle more complex problems that could come on way; the seniors also inspired us to conduct activities to our juniors when we come to final years.
