Every Saturday students were made to sing different variety of songs where each team was given responsibility to organise music competitions. Students are made to frame lyrics for the song, tune it and develop their singing talents.

On 1/10/2016 musical programme was conducted for the students of this forum, where Vidwaan Manjunath was the Guest performer. The session was for 2 hrs, where students learnt classical songs, light vocal music.

On 19/3/2017, another programme was conducted by the students of this forum at Mount Rosery Old Age Home for 2 hrs by singing variety of songs to entertain the oldage people. The oldage people showed good response by singing songs. The Chief Guest of the programme was Father Edward.
