Program: Guest talk on the topic “Human Relationships” by Mr. Nagaraj M

Mind- view Forum had organized a guest talk on “Human relationships” by Mr. Nagaraj, Lecturer in Political Science. He spoke about the Functioning of both Nuclear and Joint families and their own issues. He highlighted the importance of mutual understanding among the family members and importance of maintaining healthy relationships

He also suggested some tips to improve the communication among family members. Overall he gave an insight to the forum students.
