Programme: Training on “Self Employment”.

Venue: PG Seminar Hall

Date: 23-02-2019

Participants: Students of I and II BA HEP, Volunteers of Youth Red Cross Forum.

Resource Person: Mrs.Sharavathi U Raviraj

Brief Report of the Programme:

The Department in association with Youth Red Cross Forum of the College organised a Training programme on “Self Employment”. Mrs. Sharavathi U Raviraj, Head Mistress, Higher Primary School, Yelluru was the resource person. She Clarified students that how self employment makes them independent and innovative. How it gives more flexibility and freedom than working under someone else. In the workshop she showed the students how to make products like soap, Detergent powder, Candle and so on which are used by all of us in our daily life. Because of increased competition in the Job market, it is highly difficult to get suitable jobs as per their personal profile. In such a situation young minds choose wrong root to lead their life. To overcome this and make them confident this programme was organised.
