ಶ್ರೀ ಬಾಲಕೃಷ್ಣ ಶೆಟ್ಟಿ
ಆಡಳಿತಾಧಿಕಾರಿ

ಸ್ವಾಗತ ಬಯಸುವ
ಪ್ರಾಂಶುಪಾಲರು ಮತ್ತು ಪ್ರಾಧ್ಯಾಪಕ ವೃಂದ

Inaugurating the event, Managing Trustee of Alva's Education Foundation, Mr. Vivek Alva, said, "Educational institutions cannot be deemed great merely because they have multi-storeyed buildings. It is the students who breathe life into those buildings. You must become such a vibrant student community. The students of Alva's themselves represent the 'Alva's Brand'."

He emphasized that students must understand the primary purpose of joining a degree college. Alva's Education Foundation, through its contemporary education system, constantly imparts knowledge and skills aligned with modern global needs. Under the autonomous framework, the curriculum is designed in line with the ever-changing job market, technology, and societal shifts. This approach nurtures real-world knowledge, technology-based skills, creativity, and analytical thinking in students, he added.

Principal of Alva's College (Autonomous), Dr. Kurian, in his address, stated that parents must closely monitor the development of their children during their undergraduate years. The three-year degree course is not just about academics; focus should also be on enhancing individual capabilities. Students must cultivate the habit of reading for at least two hours a day. When students and parents collaborate with the college, remarkable outcomes can be achieved.

Also present at the program were Dr. T.K. Ravindran, Academic Dean of Alva's College (Autonomous) Dr. Narayana Shetty, Examination Dean and Administrative Officer Mr. Balakrishna Shetty.

The program was hosted and concluded with a vote of thanks by Dr. Yogeesh Kairodi, Head of the Kannada Department.
